Note:

- As per the CBSE guidelines, Art as a subject should be integrated and infused in all areas of learning. Thus prescribing an Art book is not essential. The Art and Craft material and an Art file will suffice for building aesthetic sensibility among students, which can be prescribed as per the requirement of individual schools.
- For additional books for Computers, Art, Value Education and General Awareness, it is advisable to integrate these into the general curriculum/Life skills modules/or Discussions with worksheets in a structured manner by the teachers of the school.
- It is advised that a child uses 1 Note book for each subject, so that the bag is light, reduces paper wastage and organises the bag in a better way.
